Thanks Michelle, those times are PT. We'll all probably need to talk after today's meeting. If it's too late to talk today I'm off tomorrow and back to work on Thursday

Hi- are those times in Pacific Time or Central Time? If those are in PT, I am available Tuesday. If it is in CT I am available Wednesday.

I'm happy to take the lead wherever necessary, but it has been confusing to know when that is. Hopefully after our call this afternoon it will be more clear.

I talked to Devlin today. He'd like to have another phone conference to get our response to John Mannix's April 25, 2016 email. Devlin is available during the following times next week.

Mon. 9-1:30

Tues. 1:30-3

Wed. 12-1

Let me know if any of these are preferable.

Also, Michelle, Pete and I thought you might take the lead on the response, so maybe we can meet before we talk to Devlin to make sure we're all on the same page.
